## 2019 Membership Dues

- A moderate cash dues investment is required, and a voluntary commitment of 50 on-air messages aired ROS month.
- Check the category that pertains to **EACH** station based on its gross advertising income minus agency fees and all related commissions for last year. Please include revenue from all radio and TV channels that are sold separately.
- **IMPORTANT: If AM/FM/HD is simulcast and billed as one buy, check only one category.**
- **Please note which stations are simulcast. If AM/FM/HD are sold separately, you must check separate categories and pay dues for each station. (PLEASE change any call letters that are not correct.)**
- LMA & LSMA's must pay as individual stations
