House Analysis: Republicans will maintain control of the Michigan House of Representatives by a 58-52 margin in 2021, a net change of zero (0) seats. Two (2) Democratic incumbents, **Rep. Sheryl Kennedy (D-Davison)** and **Rep. Brian Elder (D-Bay City)** lost, but Democrats picked up two (2) open Republican seats. This is the sixth straight election that the GOP has won the Michigan House. Shifting demographics allowed Democrats to pick up the two (2) seats in Kalamazoo County and southern Oakland County, but those shifting demographics also weakened their base in Bay City and outer Genesee County. Republicans maintained their hold on many contested Oakland County seats, as well as northern Michigan, Macomb County, and Monroe County. The Michigan House of Representatives will have 28 new members in 2021, for a turnover of 25%. Current House Democratic Leader Christine Greig is Term-Limited and will not be returning next term. **Rep. Donna Lasinski (D-Scio Twp.)** is expected to become the new Democratic leader. Current Speaker of the House Lee Chatfield (R-Levering) is Term-Limited and will not be returning as well. **Rep. Jason Wentworth (R-Clare)** is expected to assume that post in 2021.
